Loudoun County, VA- The Loudoun County Sheriff's Office is investigating a home invasion style robbery that occurred Monday afternoon in the Farmwell Hunt Community in Ashburn.

Around 3:40PM on July 20th, four unknown males entered a townhome in the 21300 block of Sawyer Square and confronted a teenaged resident inside. One of the suspects brandished a knife and demanded cash. The suspects grabbed cash from the victim and also removed a video game system and the victim's cell phone.

During the course of the robbery another resident of the home returned and was confronted by the suspects. Neither of the victims were injured during the robbery.

All four suspects were described as Black males. One suspect was wearing a black shirt with cargo shorts and had tattoos on his neck. The suspects fled in a gold SUV, possibly a Chevrolet. The area was searched but no suspects were located.
